

Miss Kolek's Class News

Week of October 26- October 30

A look ahead..

Next week, we will finish our unit on natural hazards with a culminating project. (*Refer to today's email for more details.*) Students will be building structures that can withstand their natural hazard. We will continue working on our division skills next week.

Upcoming Dates:

No School- 11/03

No School- 11/06

Late Start- 11/11

Special Visit!

We had a special visit on Wednesday from two meteorologists from the National Weather Service! Ask your child about what they learned!

Shout Outs!

We had some awesome participators this week! Shout out to Cole, Delaney, Daniel, Layne, and Anna! Way to go!!
